

EXHIBITOR GUIDE TO REDUCING WASTE

The Brewers Association and The Venetian Las Vegas strive to send as little material as possible to the landfill.

WHAT YOU CAN DO:

REDUCE WASTE

- Use the facility recycling receptacles during move in/out and run of the show
- Minimize packaging
- Use only products that are recyclable
- #1-#7 plastic are all recyclable
- Bring only what is anticipated for attendees
- Provide information on a reusable drive or through a QR code

SMART EXHIBIT DISPLAY DESIGN

- Create signs and banners that are reusable or can be recycled
- Print handouts on a post-consumer recycled content paper using soy or vegetable based inks
- Use energy efficient lighting for displays
- Turn off booth lighting, monitors, and equipment overnight

TRANSPORTATION CONSIDERATIONS

- Use local vendors when possible to reduce transportation impact.
- Use local public transportation, walk or bike when possible. Visit: <https://www.venetianlasvegas.com>
